**Join us for Artistry in Mediation:
Conflict, Improvisation & Resolution
International Academy of Mediators Spring Conference**

This conference is designed to be interactive and creative in all senses—art, music, and drama—with an emphasis on improvisation and closing. The objective: provide the IAM members with a conference with a difference. A conference that integrates music and improvisation with mediation. Join us for a lively and creative interaction of IAM members.

Visit www.iamed.org for details.
